Outfit Recap

Nearing the end of the semester, our Rogues have been hard at work finishing Guidon Candidacy as well as March to the Brazos. For next year, we have a great line-up for the units Stick Chain, which we are excited to unveil at the upcoming Family Weekend BBQ! March to the Brazos was a great success. The 18-mile trek was filled with tradition, fish whipping out to the sophomores, some wrestling, as well as waving goodbye to the soon-to-be-dying seniors as the cadets assumed their positions for next year.

Coming Up

With our Rogues having successfully completed March to the Brazos, there are only a few weeks left of the Corps before finals hit and the Corps dies. But before that can happen, the outfit still has some exciting events coming up to send off the school year!
